Our Story

Since 1975, Magrudy's has become a central part of Dubai life. Although our flagship Jumeirah store remains the 'spiritual home' of Magrudy's and still visited by the same customers who shopped with us as children - we have branched out in the UAE and currently operate in Abu Dhabi, Al Ain and across various universities as the sole operator of campus bookstores.

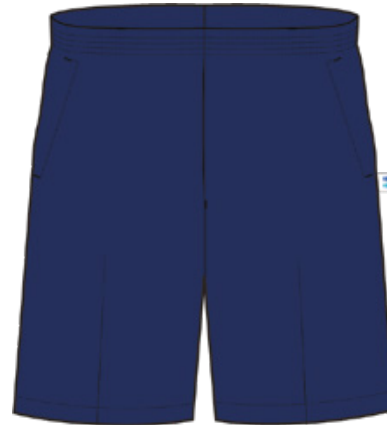

Being a family-run business with the needs of the local community always in mind, our books are complemented by a wide range of toys, stationery, greeting cards, art & crafts materials suitable for all ages, as well as school uniforms. Our stores ourselves offering outstanding customer service.

HOW TO MEASURE

Height
Measure from the top of the head down to the ground - make sure the child is barefoot together and feet on the floor.

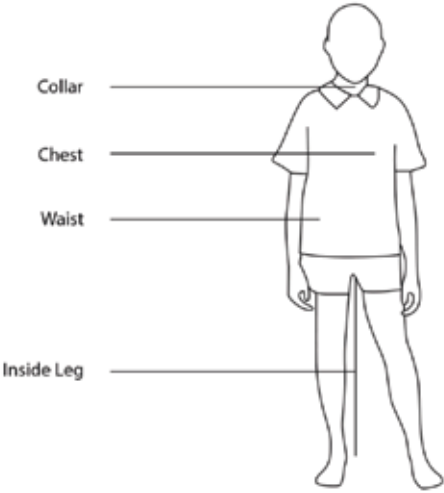

Chests
Take the tape through the arms and around the fullest part of the chest.

Collar
Place the tape measure around the base of the neck where the collar usually sits, again taking care not to pull the tape too tightly as it is important to have a little extra room around the neck.

Hips
Place the tape measure around the fullest part of the bottom.

Inside Leg
Measure with shoes on top approximately 5cm above the ground.

Waist
Place the tape measure around the natural waistline, taking care not to pull it too tightly
